SPECIAL SERVICE RECOGNITION

Sister Jean Ann Healy, Grade School Principal, at work in her office. Sister is responsible for all business that concerns the Grade School.

Mrs. Hodge serves as High School secretary. She goes far beyond the call of duty in her services to all.

Here we see Mr. Balamucki on duty. He is in charge of maintenance and always responds cheerfully to every call of duty.

Orchids to Mr. Henecka! Even during dinner hour he manages a happy smile!

Paul Zanotti

Terry Murphy shows Paul Zanotti that it's better to listen and obey at Initiation than to be a wise guy.

"To sing or not to sing" is the question Mary Foley, Mike Carter, and Rick Saxby must ponder.

"This cement is hard, but it could be a lot worse," think John Decker, Terri Dudzic, Joe Teets, and Pat Reggish as they sing their praise to the Seniors.

INITIATION

Initiation is a special time for both Seniors and Freshmen. As you stand in front of school, you see strange people approaching. No, it's not an invasion from Mars or Venus. It's the Freshies! Soon they are spotted by a Senior and made to recite the Senior Song. A little later, you see a group of Freshies dancing on the sidewalk! It's all in fun, and they will be officially recognized as "Saints" from now on.

The headless wonder, Walt Kotlarczyk, gets into a romantic mood at Initiation. Are they having fun? Ask Joe Teets.

"Louder or else!" shouts Terry. You can see why Margie Berrelez and Barb Fries try to obey.

pep club

The Pep Club is a very active school organization. Under the leadership of Mr. Frank Pace, the group engaged in many very worthy projects.

Before every Basketball game, posters were prepared and posted at the various gymnasiums. It was the work of Pep Club artists.

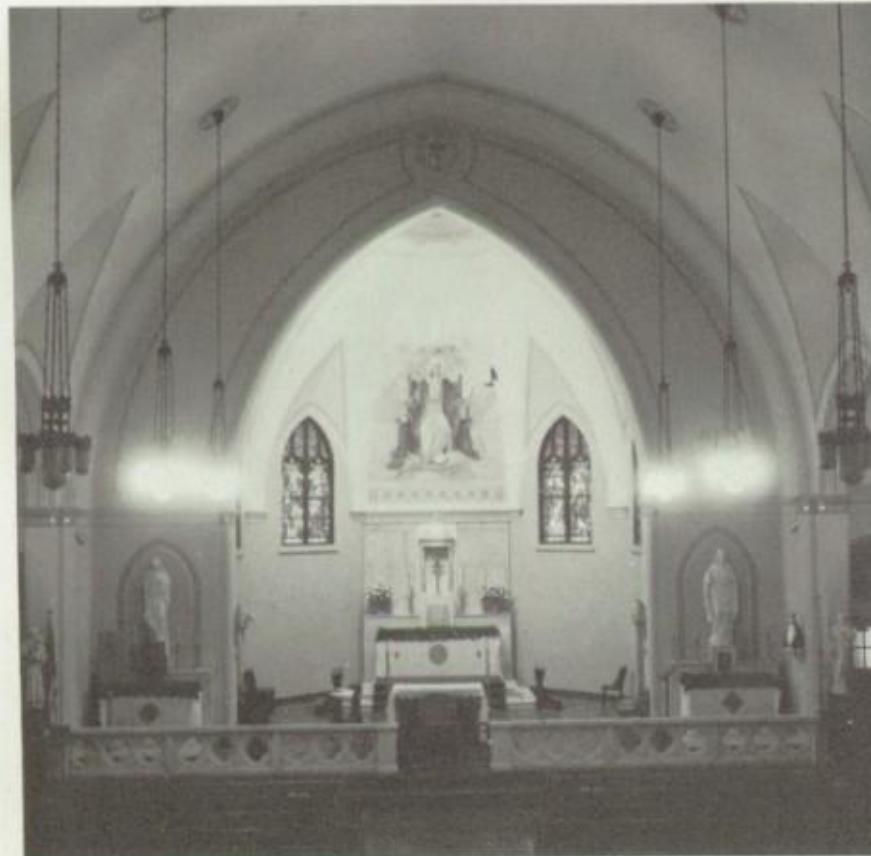

The Pep Club encouraged all our fans to sit together at games and cheer our boys to victory.

Another service rendered by this group was a sincere effort to promote the real All Saints Spirit in school at all times.

1969-1970 Pep Club Row 1: Leslie Adair, Rachel Robles, Edith Sumner, Barbara Fries, Theresa Dudzic, Debbie Toth, Debbie Benedict, Barbara Pananski, and Kathy Petterle. special SERVICE

Behold our beautiful Church which has indeed been a tower of spiritual strength. How many times have we worshipped God as a group! How many times have we knelt in this Church to ask forgiveness of our sins. How many times have we listened to the Word of God. How many times have we witnessed the example of Christlike priests who have spent their lives bringing Christ to us and us to Christ.

It is only fitting to pay tribute to one young man who appeared in all kinds of weather and at any required hour to contribute to the worship of God by playing the organ in Church. It would be impossible to state the number of services that were made more devotional and inspiring by the contributions Eugene made.

WE'RE PROUD OF OUR BASKETBALL TEAMS

Three Cheers for Coach Brown!

Varsity Cheerleaders: Kathy Petterle, Joanne Foley, Marie A. Sylvia, Susan Schefsky, Debbie Frankowiak, Roseann Kulick.

Our peppy cheerleaders deserve much credit.

We want a victory, now!

What Is a Cheerleader?

A cheerleader is someone who has enthusiasm, support, and a word of encouragement for her team. She is one who puts a lot of time and effort into arousing the SPIRIT in and out of school and at the games. She is one who decorates the school, plays the "Saints" record, plans pep rallies for the games. Each cheerleader puts in many hours to make each year's Homecoming a little better than the year before.

So another year of two great cheerleading squads comes to an end, but you can always hear them claim, "We're proud of our team!"

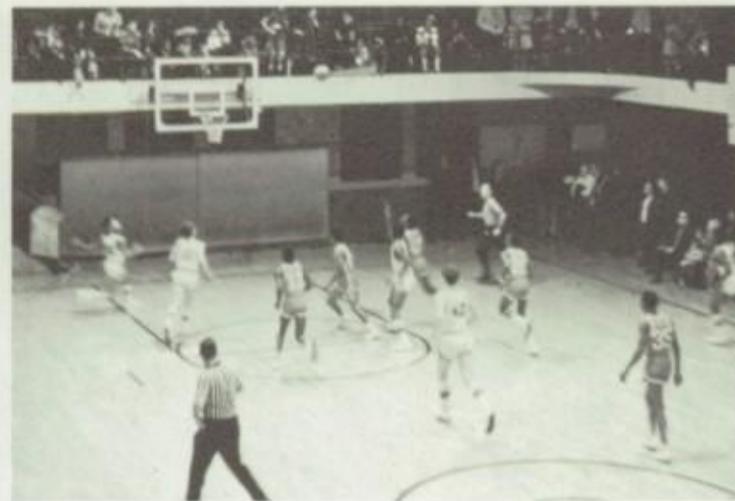

JV Cheerleaders: Mary Payea, Debbie Szeman, Rachel Robles, Leslie Adair, Denise Grabowski, and Cathy Soltesz.

RING day

Ring Day is the first step towards our Senior goal. For the first time we appeared in caps and gowns, the symbol of Senior status. For the first time we led the school in the worship of God in a beautiful and meaningful liturgy. For the first time, we showed the rest of the school our Senior unity which was symbolized by the class ring which we received officially today.

Norma, Tami, and Jerry rejoice as they enter the Church.

Father Martus helped make Ring Day a day to remember.

We are officially Seniors now!

Don Joslin did an outstanding job as Lector.

Dave, Clarisse, and Bob rejoice together.

twelve years at all saints

Maurizio Adami

Dennis Daszi

Linda Flores

Gerald Foley

John Galea

Robert Grabowski

Among the first grade pupils who entered All Saints in September 1958, there were twelve who would remain until All Saints School would formally close its doors at the conclusion of the 1969-1970 school year.

Robert Grabowski said, "All Saints had some great people going and working here. The best part of All Saints was the Basketball seasons."

Linda Flores thinks that the four years of high have brought her many new friends. She said, "I will always remember this small school."

We will always remember the Service Record of this group of students who gave so generously of their time and talents to make All Saints a fine school. They did not only consider what the school could do for them; they also considered what they could do for their school. All of the boys have served their Church as acolytes and their school as Athletes. Don Joslin has also served as Lector and as President of the Student Council.

These twelve-year students are proud of All Saints School and All Saints School is justly proud of them.

JUNIOR-SENIOR PROM 1969

The Prom came at last. The Prom, an event so long awaited, found everyone full of anxiety and wonder. We never experienced such a combination of planning, excitement, and confusion in one day.

We will never forget the night that exceeded our imaginings; the night that passed all too rapidly and left us with pleasant memories that we will always cherish.

Ted, Kathy, Mary, and Larry in happy conversation.

This looks like a group of happy arrivals!

Here is Kathy in conversation with her escort.

Yvette and Linda enjoy the evening with their escorts.

student council

Student Council Officers, Carlos Berrelez, Barbara Torok, Don Joslin, and Lynn Prevish discuss situations of interest to the high school with their Moderator, Sister June.

Mary Lynn DeSira reporting student council meeting decisions to her homeroom. Pete Kutchua comes to voice an opinion or to ask a question.

Student Council Officers taking charge of a general assembly.

Our Motto

Donald Joslin serves as M.C. for the day.

Father Martus endorses "Involvement."

See our students taking their places for a special assembly.

The Moratorium Assembly was unique because of its purpose. It was planned and prepared by the Social Studies classes under the direction of Mr. Montgomery to involve the entire student body in one current social and moral problem, namely, the Vietnam War.

As is the case with all projects which concern the entire school, the assembly was carried out with the cooperation of the Student Council.

MORATORIUM DAY

Sister Elaine has a message for all.

Here we see some of our JV Boys: Bob Beaudette, Jerry Arango, Mike Carter, Douglas Trionfi, Jim Dujovski, Walter Kotlarczyk, and Larry Wallace.

national honor society

Sister Marie Helen discusses plans for the National Honor Society with this group of students.

The purpose of the National Honor Society is intellectual achievement. Membership begins on a probationary basis in the tenth grade and continues throughout the Junior and Senior years if the student maintains the required standards of Scholarship, Leadership, and Service. During the course of the Junior Year, students may be admitted to the Society; however it is during the final semester of the Senior Year that qualified students attain full-fledged membership.

FOREIGN LANGUAGE DEPARTMENT

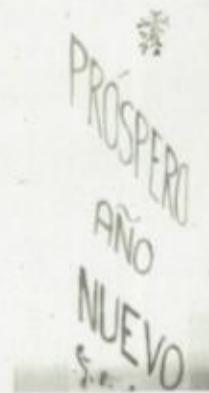

The Spanish Club has proven itself a valuable cultural enrichment program. The members studied the culture of the Spanish people as well as their contributions to our American way of life. Mr. Gross was the group's faculty sponsor.

This group of students is learning to think and converse in a second language.

Spanish-speaking people recall Joseph and Mary's quest for shelter on the first Christmas Eve in a celebration known as the Posada. At the final Posada, or stop, the host invites everyone into his courtyard for the breaking of the Pinata. The Pinata is a gaily decorated papier mache figure which may be suspended from the ceiling, the roof, or a tree. After being blindfolded, the children take turns trying to break the Pinata with a stick until it is eventually shattered. Then the children scamper for the gifts and candy which it contained.

In Spanish-speaking countries, Pinatas are featured at children's parties throughout the year.

CHRISTMAS AT ALL SAINTS

Christmas at All Saints was very beautiful and impressive. All of our students assembled for Holy Mass and then proceeded to the Hall for their expressions of appreciation and good will towards the priests of the parish and to the faculty of All Saints.

Don Joslin, president of the Student Council, was the MC. He spoke briefly to the assembly, introduced the numbers on the program, and presided at the presentation of gifts. He is pictured here shortly after Sister Elaine had received her package.

Receiving presents is always a happy experience. This time, the excitement was a little greater than usual. In response to repeated requests to "Open it," Sister began unwrapping what seemed to be an unending array of papers and directives. Everyone was enjoying this unique gift and wondering precisely what was in the box when Sister read the ultimate message.

No, it was no joke. The students had tried to procure a present that was out of stock temporarily, but Sister knew that eventually a beautiful gift was due to arrive.

Here we see Father Martus enjoying his first Christmas as an associate pastor, and receiving his gift from the students. It does pay to be good!

Christmas without music would be out of the question. Sister Nancy prepared a fine selection of Christmas music for our enjoyment.

SENIOR RETREAT

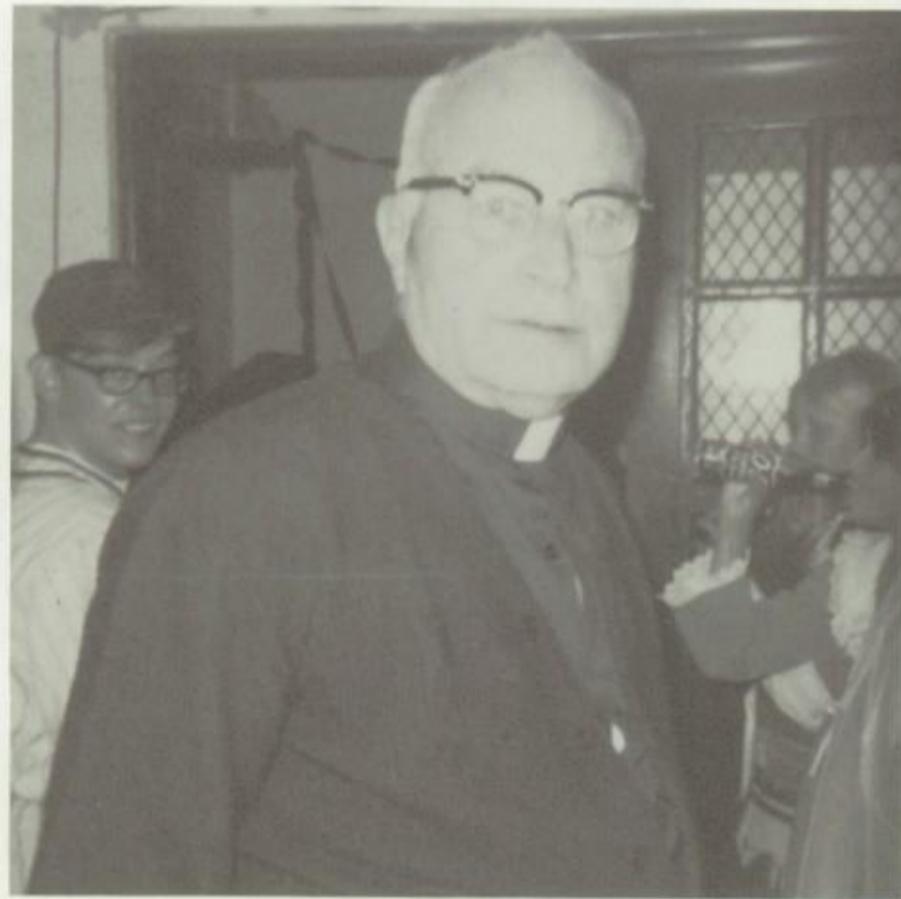

The Senior Class of 1970 started the school year with a Retreat in Oxley, Ontario. Participants agreed that it was one of the most memorable events of their high school life.

It was during these days that they all learned their great need for each other as a class. They learned that "people do need people" and that, regardless of differences it is possible to share friendship. Father Charly deserves unending thanks!

dances

Father Borck is interested in every student activity.

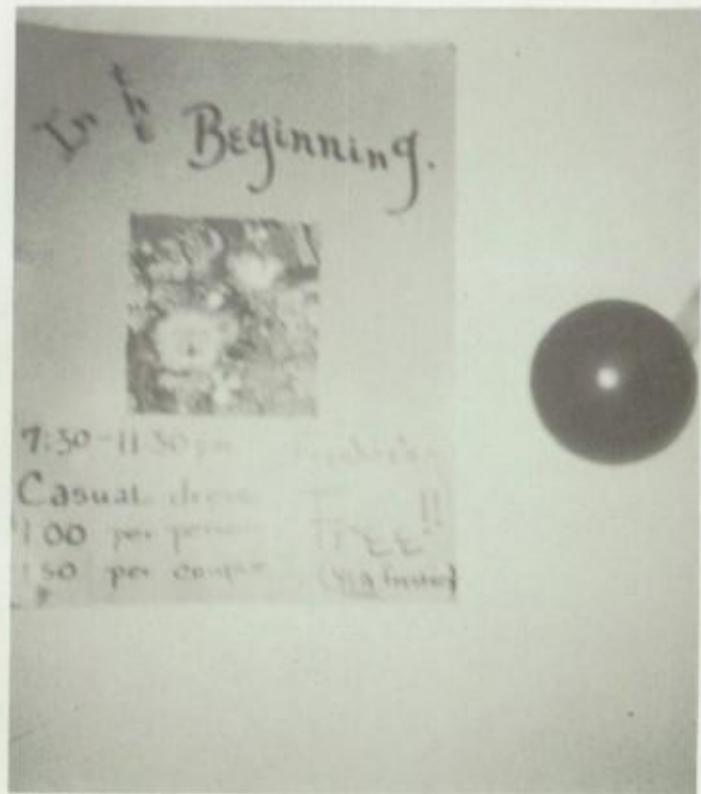

Dennis Rollins enjoys our Halloween Dance.

Social life is one of the happy features of student life at All Saints. A series of planned activities makes life enjoyable for all.

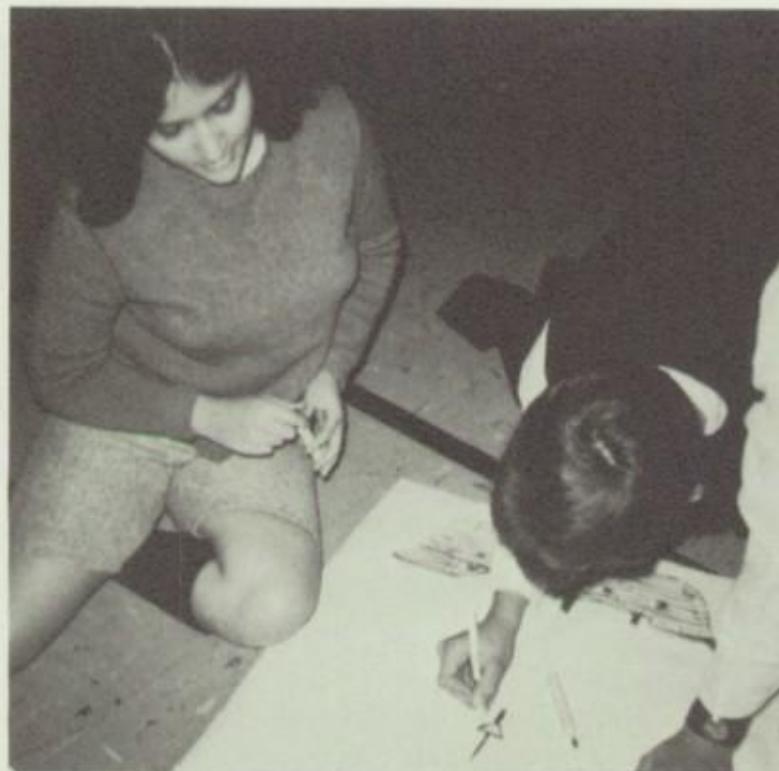

"Yes, Santa, I have been good all year!"

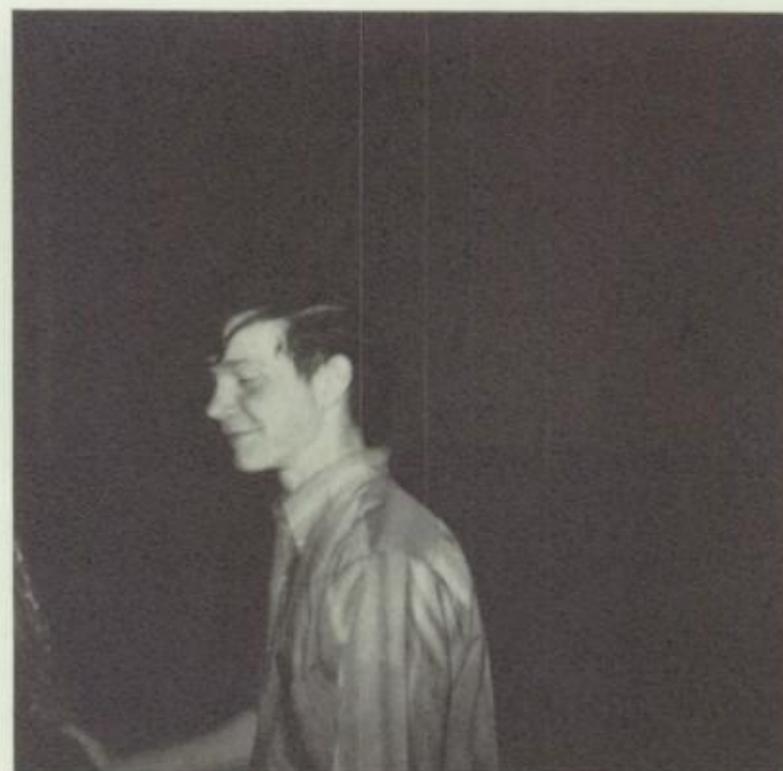

"In the Beginning" our Freshies were socially accepted by the older students.

SOCIAL LIFE

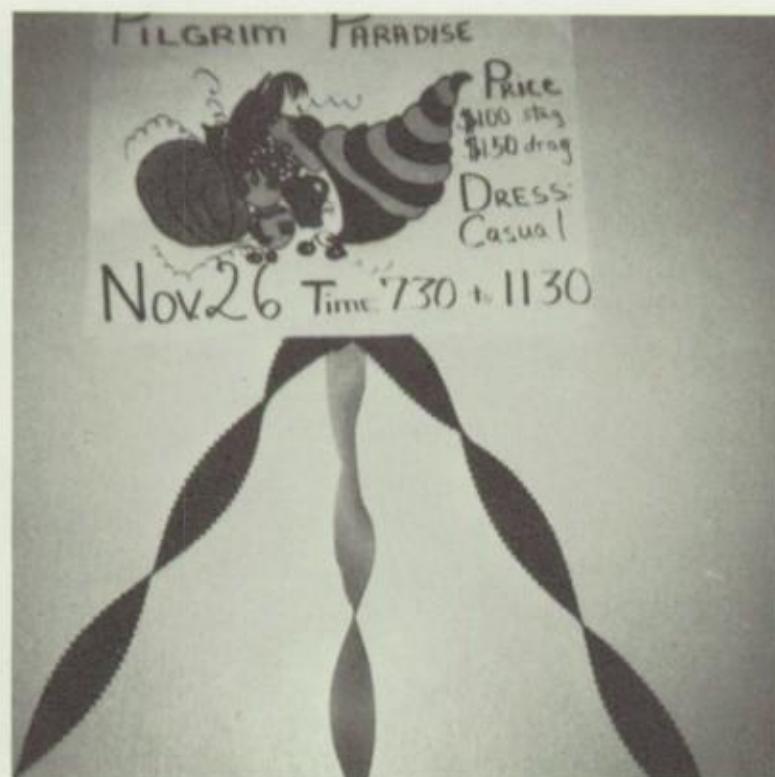

Just one more evidence of the "Junior Spirit."

Planning was great fun! Our Juniors met in groups to prepare for the Thanksgiving Dance.

Bill beams approval of the work of our decorating committee.

One of the unique features of this dance was the predominance of male chaperones. Perhaps the date was partly responsible for this!

Advertising was its own reward. We had record attendance.

The central decoration was really beautiful.

Miss Lucille Frankel

To the underclassmen, the Class of 1970

wish to leave their class motto in hopes

that it will be an inspiration for each

and everyone of their futures. Good Luck!

Acknowledgements

The production of a Yearbook is a tremendous responsibility and a burden that must be shared if the book is to be worthy of the name. This final edition of All Saints Spirit represents the combined efforts of many people. At this time, it is only proper to indicate those who contributed the most significant effort in the discharge of their responsibilities.

Rev. Frederick Borck, Pastor of All Saints, who gave his permission and encouragement to the publication of the 1970 Spirit.

Sister Elaine Mullaly, Principal of All Saints High School, who cooperated with every effort in the publication of this book.

To the students, both grade and high, who helped in the Ad and Patron campaign.

To the members of the faculty for their patience when it was necessary to disturb classes to obtain suitable photographs.

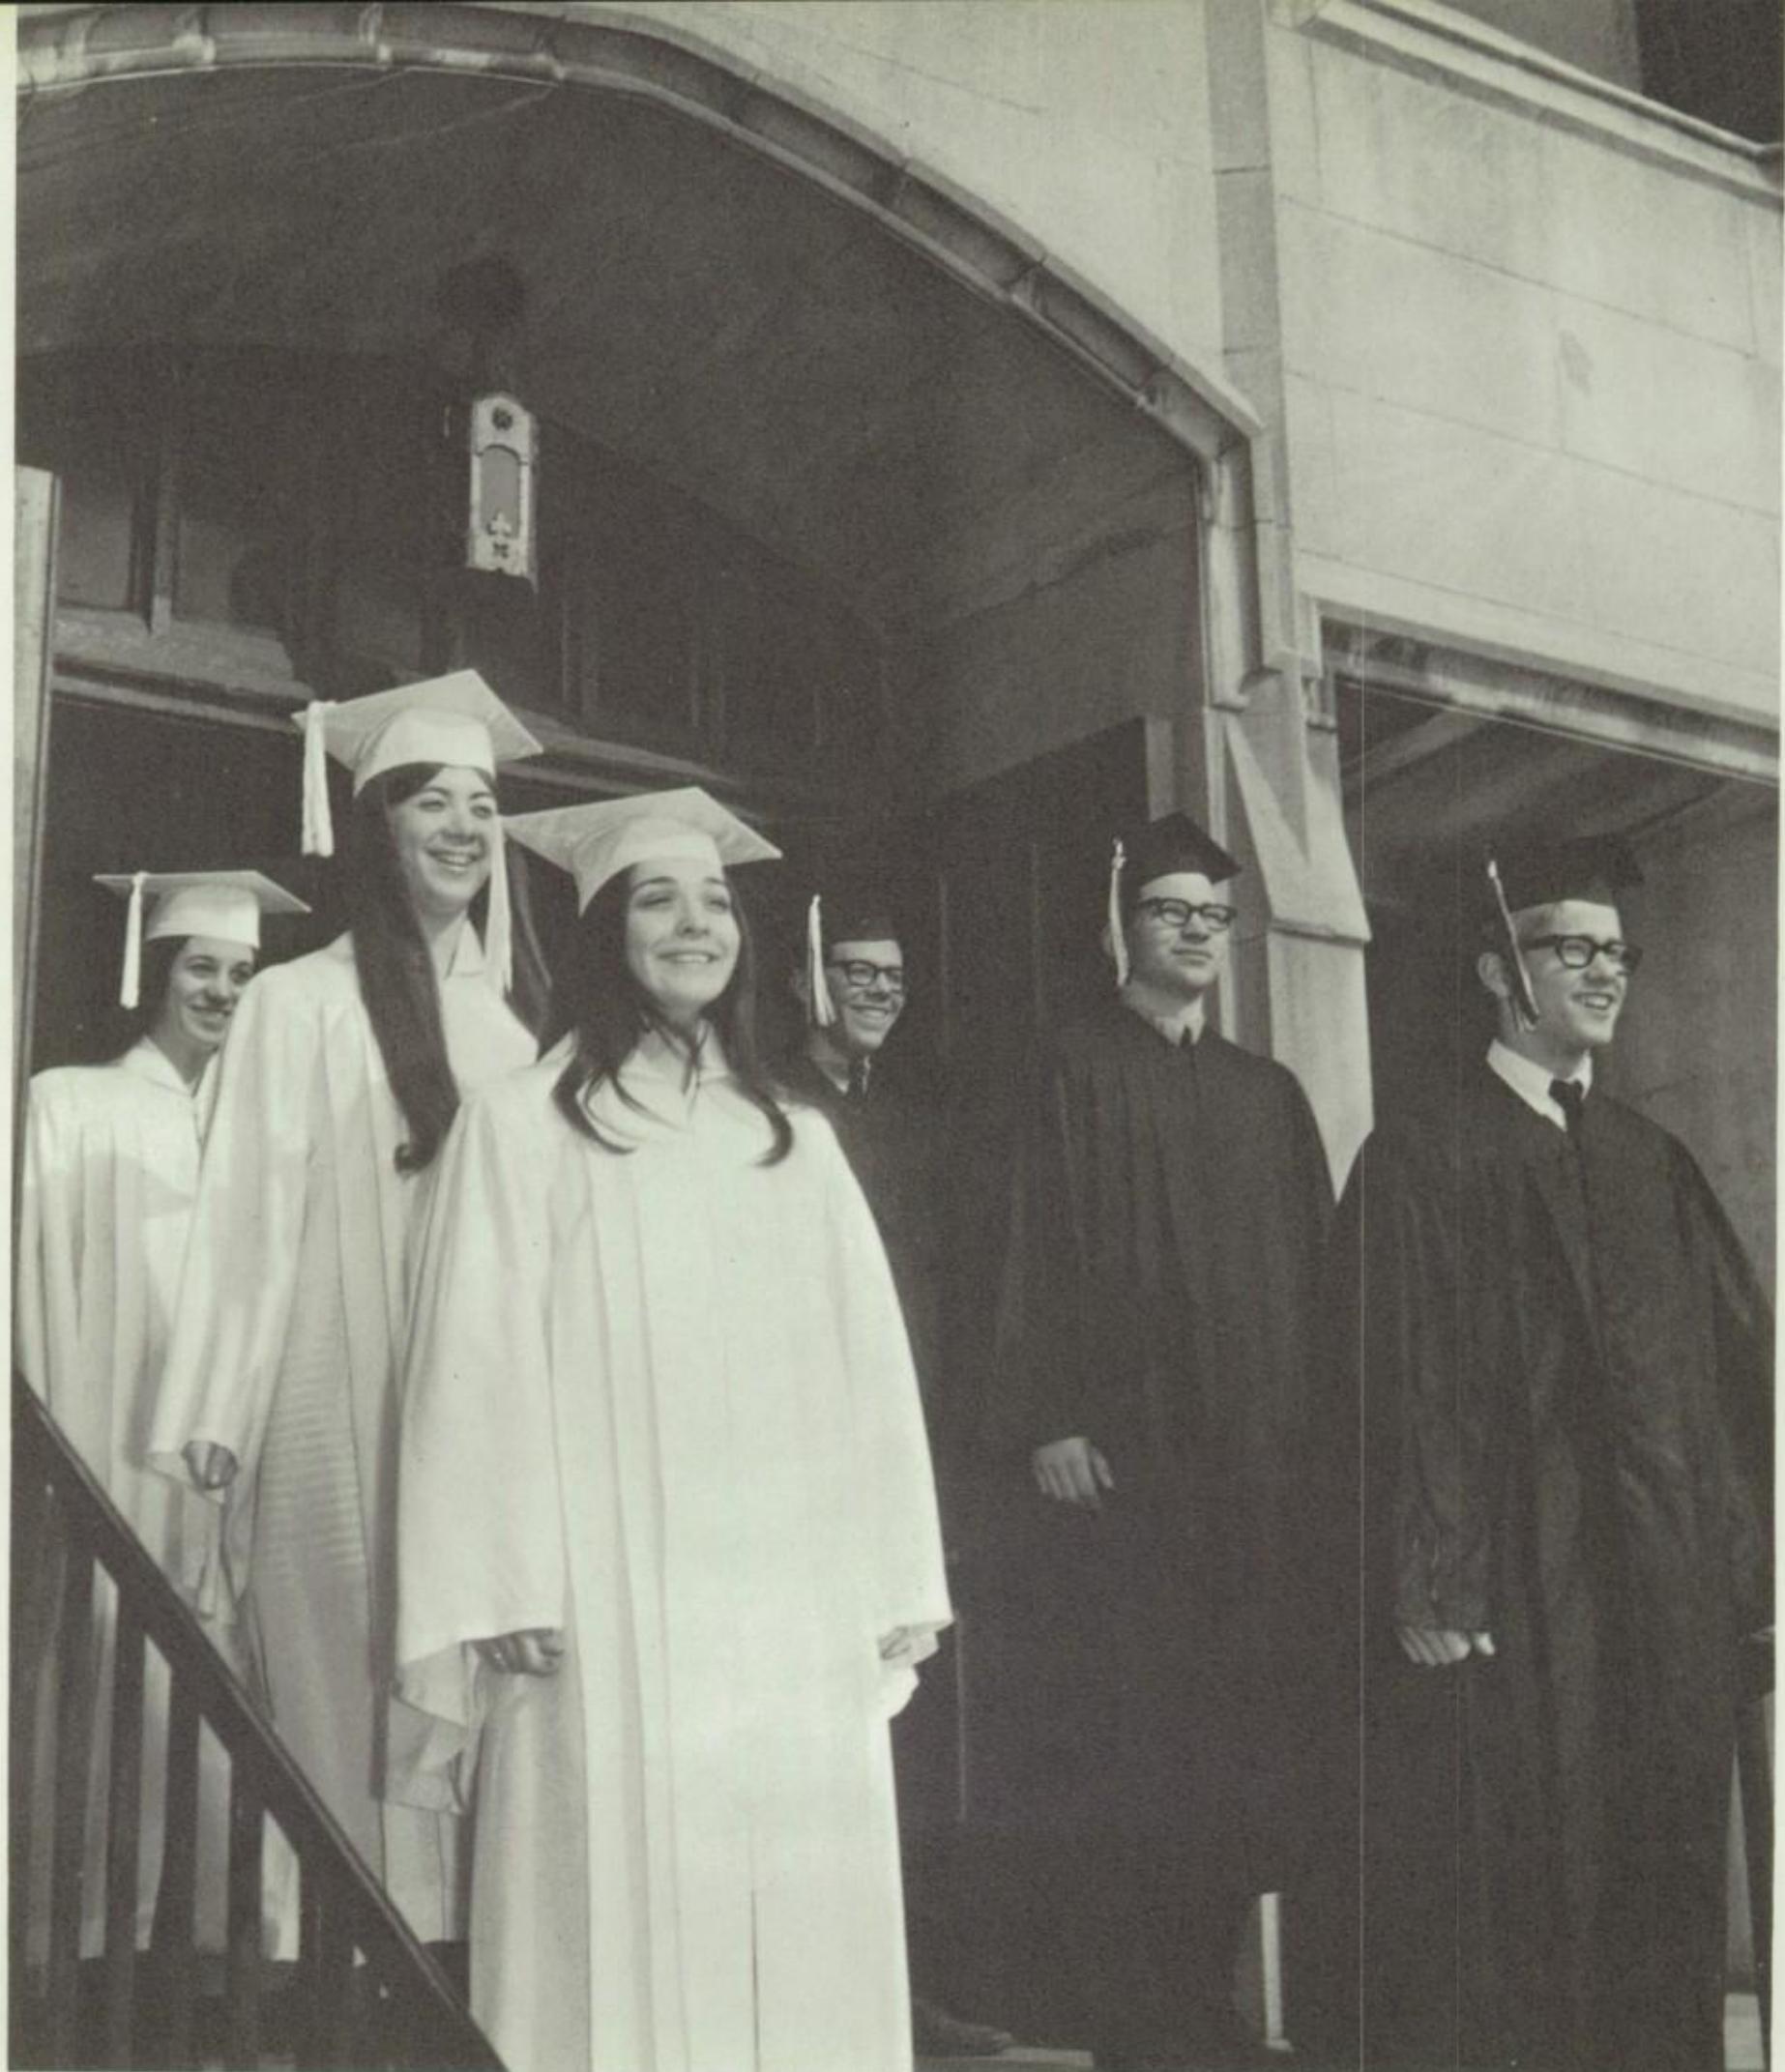

Sister Janet Nelson who assumed responsibility as Yearbook Advisor.

Mr. Arthur Dohring, our school photographer, who went far beyond the call of duty to assist us.

To the following students who made the most effort to assist in the preparation of the Yearbook: Dennis Tap, Tom Dudzic, Kathy Petterle, Elizabeth Soter, Kathy Kulczar, Barbara Fries, and Dennis Dazsi.

Our Advertisers, Patrons, and Friends, and all who will purchase a copy of the 1970 Spirit.

To the staff of the Modern Yearbook Company who published the book.
